

# Realize the Potential

From our **expertise** to your **Brand Portfolio**

**SFI Health Solutions: your CDMO partner**

As part of SFI Health Group, SFI Health Solutions is a full-service Contract Development and Manufacturing Organisation (CDMO) you can trust to Design, Develop and Deliver natural healthcare products to the good manufacturing practices (GMP/ cGMP) for manufacturing, product development and packaging

**DESIGN**

This first phase focuses on concept creation and idea scoping to determine it's feasibility, achievability and potential in commercial and regulatory contexts.

**DEVELOP**

During this stage, theoretical solutions are transformed into realities that can literally be held in the hand - tangible products with defined and tested technical specifications.

**DELIVER**

Commercial-scale production and packaging is the third pillar of our service offering. In this stage, the product is made to commercial quantities ready for distribution to our clients' existing and new markets.

**Our three manufacturing plants worldwide are able to deliver and manage the following:**

**3**

Manufacturing sites in Switzerland (20,000m<sup>2</sup>), US (6,700m<sup>2</sup>), and UK (8,000m<sup>2</sup>)

**26**

Production and packaging lines running up to 3 shifts

**50 M**

Average finished packs per year

**880**

SKU managed

**>100**

Countries serviced, with offices in every region

**Our capabilities in Switzerland and the UK:**

	<b>Production</b>	<b>Packaging</b>	<b>Certification</b>
<b>Switzerland</b>	Encapsulation	Blister	<b>GMP</b> <b>ANVISA</b> <b>NSF</b> <b>FDA REGISTERED</b> <b>Agroscope</b> <b>TGA Health Safety Australia</b> <small>PCGS GMP</small>
	Wet granules	Bottle labels	
	Dry blending	Custom sticks

	Mixing	Product serialization via label and product coding	
	Tablet coating	Pills into glass and HDPE bottles	
	Tableting	Powder/ granules in sticks	
	Liquids	Pills into PET	
<b>UK</b>	Encapsulation	Blister	<b>MHRA</b> <b>FDA REGISTERED</b> <b>GMP</b>
	Dry blending	Powder Filling	
	Liquids	Bottle labels	
	Powder blending	Pills into glass and HDPE bottles	
	Tableting	Liquids into bottles	
	Mixing	Pills into PET	

**SFI Health Solutions is the CDMO you are looking for because of:**

- ① Longstanding **expertise with natural ingredients**
- ① Adaptability to Design, Develop and Deliver solutions on a **challenging time frame**, that consider **regulatory compliance** implications
- ① **Flexibility**
- ① Excellent **Project management** process in place
- ① Application of **'quality by design'** approach to all stages and processes

# 5 reasons to choose SFI Health Solutions Private Label portfolio

Guided by emerging research, as well as a passion for applying science to nature, SFI Health Solutions has created a line of products for private label targeting different therapeutic area characterized by:

1. **Premium quality**, ready to use **Swiss-made solutions**
2. Galenical formulations combining **cutting-edge**, latest scientific advances on **natural ingredients** with Traditional Herbal Medicine knowledge;
3. **High-quality active ingredients** chosen for their strong proprietary clinical support, maximising biological origin, solvent-free extraction processes and sustainable/traceable origin of raw materials.
4. **Tailor-made solutions** thought carefully to satisfy the final customers' health needs by:
  - a. Reducing excipients
  - b. Selection of hypoallergenic products
  - c. Preference for vegetarian hard capsules without gelatin
  - d. Selection of talc-free coating systems for tablets
5. Reduction of external packaging and maximization of recyclable materials to satisfy **sustainability** concern of the final customer and reduce the environmental footprint :
  - a. Maximise the use of R-PET bottles from recycled material
  - b. Usage of folding boxes and other secondary packaging
  - c. No leaflet if not required

This arise the possibility for our clients to widen or refresh their own product portfolio and launch these innovative natural products under their own brand.

Immunity

Private label solution for

# PhytoDefense

**PhytoDefense strengthens and balances the immune system to tackle infections reducing inflammatory discomfort.**

PhytoDefense combines multiple immune benefits coming from an algal biomass source rich in beta-glucans, vitamin C from acerola fruit, vitamin D3 from lichen, selenium and zinc. Each of these ingredients supports the correct function of the immune system for a better protection against external infections.

Available in 30 or 60 capsules (FCT)

## Who is it for?

18-65 years old

## How is it taken?

1 tab/day for at least 4 weeks

## Ingredients

Algal biomass rich in beta-glucans, vitamin C, vitamin D3 from lichen, selenium and zinc

## Benefits

 Suitable for Vegans & Vegetarians

 Yeast-free

 Clinically proven

Cognitive

Private label solution for

# MemorEase

**MemorEase, supports calm mental focus and memory relieving anxiety.**

MemorEase combines multiple cognitive benefits coming from natural ashwagandha and saffron plant extracts. Each of these ingredients together with vitamin B12, support positive mood and relaxation, improving general memory and brain information processing.

Available in 30 or 60 HPMC capsules in a blister with a folding box.

## Who is it for?

18-65 years

## How is it taken?

2 caps/day, one in the morning and one hour before bedtime, for at least 4 weeks.

## Ingredients

Ashwagandha root and Saffron stigma extracts, vitamin B12.

## Benefits

Suitable for Vegans & Vegetarians

Sustainably sourced

Clinically proven

Energy & Sleep

Private label solution for

# Day&Night

**Day&Night has been developed to combine a daily support to psycho-physical wellbeing and positive mood with a night-time help to reduce insomnia and improve sleep quality.**

Day&Night combines a natural melon extract rich in an antioxidant enzyme (superoxide dismutase, SOD) with a vitamin B complex (methylfolate, B1, B2, B3, B6) for the day-time tablet to support general wellbeing and positive mood. The night-time tablet improves sleep quality thanks to an innovative pistachio extract naturally rich in melatonin and zinc. This dual formula provides a full-time support to improve general wellbeing and balance circadian rhythms.

Available in 56+56 tablets in 4 dual blisters per pack with folding box.

## Who is it for?

18-65 years

## How is it taken?

2 tabs/day: one Day tablet in the morning and one Night tablet before bedtime for at least 4 weeks.

## Ingredients

- Day: French melon extract, methylfolate, B1, B2, B3, B6
- Night: pistachio extract standardized in melatonin

## Benefits

Cardiovascular

Private label solution for

# Cardio Protect Duo

**CardioProtectDuo supports healthy cardiovascular function improving blood flow, blood pressure and blood vessel integrity.**

CardioProtectDuo combines a tablet product, containing a peculiar grape seed extract rich in OPCs antioxidants, vitamin B1, K2 and vitamin E, with a soft gel capsule containing omega-3 fatty acids, coenzyme Q10 and astaxanthin. This dual formula provides complete cardiovascular support.

CardioProtectDuo has a sustainable, traceable, eco-friendly production of omega-3 (FOS, GOED and MarinTrust certified). Available in 30/60 tabs plus 30/60 soft gel capsules packed in blister with a folding box.

## Who is it for?

25 - 65 years

## How is it taken?

1 tab + 1 soft gel/day for at least 4 weeks.

## Ingredients

Tablet: Grape seed, vit. E, vit. K2, vit. B1. Soft gel capsule Omega-3, astaxanthin, Coenzyme Q10.

## Benefits

Sustainably sourced

Clinically proven

No added sugar

Energy

Private label solution for
